REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

The 2013-2014 school year was successful for both students and faculty of Wilson High School. Student centered lessons was the theme for classroom instruction this past year. This type of instruction allowed students to become active learners, while also giving the teachers opportunities to use innovative instructional techniques. While trying to improve classroom instruction, another goal was to give students as many opportunities to explore career options. Working with the guidance department, students were able to see career paths from a variety of guest speakers and events like College Application Day.

Some of the highlights of the school year were our Academic Team winning a State Title, several track athletes won individual medals at the state meet, and Wilson High School became the only high school in the state with a license tag that can be purchased from the SC Department of Motor Vehicles. Thanks to our great Alumni Association, proceeds from the tags will go towards scholarships given to Wilson High School graduates. In addition to the scholarships, the Wilson High School Alumni Association also donated \$25,000 to the school. One of our teachers won Florence School District 1 Teacher of the Year, and was also recognized internationally for excellence in teaching. In our 2014 graduating class, students earned over \$3, 000,000 in scholarship money.

As all ways, it is our goal to give all students the knowledge, skills, and character for the future.
